

Michael Wheeler

mjwheele@mtu.edu

269-271-1809 Kalamazoo, MI

Summary: I am a Computer Engineering student at Michigan Tech looking to earn some experience with hardware or software development.

Work Experience: Seafood Clerk at D&W Fresh Market

High School Education: Portage Central

Address: 8135 S Westnedge Ave, Portage, MI 49002

Cumulative Unweighted GPA: 3.36

Cumulative Weighted GPA: 4.04

AP/IB classes taken: IB English HL, IB Math HL, IB Physics SL, AP Statistics, IB 20th Century History SL, IB Spanish SL, IB Business SL, IB Chem HL

College Education: Attending Michigan Technological University

Major in Progress: Computer Engineering

Address: 1400 Townsend Dr, Houghton, MI 49931

Cumulative GPA: 3.43

Computer Engineering GPA: 3.12

Classes taken: Introduction to Programming 1, Calculus with Technology 1, Composition, Engineering Analysis, Physics Lab 1, Introduction to Programming 2, Calculus with Technology 2, Global Issues, University Physics 1, Essential Math for Electrical Engineers, Linear Algebra, Introduction to Psychology, Electrical Circuits 1, Digital Logic & Lab, Data Structures, Discrete Structures

Classes Currently Taking: Robotics Systems Enterprise, University Chemistry 1, University Chemistry Lab I, Programming at HW/SW Interface, Formal Models of Computation, Elementary Differential Equations, Environment and Society

Skills: Intermediate Java and data structures, Calculus, Constructed a Desktop Computer, currently learning ROS and Python

College Activities: WHSA Hallway President for 3rd and current (4th) semester.

High School Activities: Application Development Club in (senior year), Marching Band sophomore-senior year (Section Leader in senior year)

High School and College transcripts and references available upon request
